+ new NOAA
(b)
Scenario C: Sensitivity to Search Radius
Beach Nurdle Patrol (pieces / 10 min)
n = 46 / 56 / 63 / 72
Beach Coastal Survey (pieces / m^3)
n = 16 / 24 / 30 / 35
Coastal Sediment (pieces / kg d.w.)
n = 6 / 9 / 11 / 14
